MICHELE CHIARLO

Rovereto Gavi del Comune di Gavi DOCG

2024

91 Points

Textbook Gavi that hits all the right notes – bright, tart fruit cut with that characteristic saline minerality and citrus pith bite. It's like biting into a fresh citrus fruit while standing on the Ligurian coast. Direct, refreshing, and exactly what you want from the category. If you forget a few bottles in the cellar, you will be super stoked.
