MICHELE CHIARLO

La Court Nizza Riserva DOCG 2021

95 Points

Very pretty nose that glides out of the glass like a classic Hollywood actress across the screen. It knows its marks and gets the best close up every time. Plum, black cherry, rose… it is Barbera. Bright, fresh and loaded with fruits with well-placed spice, herbs and flowers. This is why people like Barbera. It is purely delicious but has that intellectual edge that keeps you coming back to the glass to explore more.
