PIGHIN

Pinot Grigio Friuli DOC 2024

92 Points

Fun and fancy-free, this Pinot Grigio brims with flavors of green apple skins, potpourri, and a touch of tangelo. Despite its Italian origins, the signature copper hues of the grape evoke the idea of enjoying a pale rosé while strutting along the Croisette. Vibrant, balanced, and full of verve, this is a wine for all seasons.
