THE TASTING PANEL

BOLLINI

Sauvignon Blanc Vigneti delle Dolomiti IGT
2024

92 Points

Sauvignon Blanc that presents classic varietal character with herbal and citrus notes present in both the aromas and flavors, this is nevertheless not a cookie-cutter example. Surprising richness in the mid-palate and more notable minerality than most Sauvignons grown outside of Sancerre make this a standout, and an attractive price lends additional appeal.
