THE TASTING PANEL

SALVIANO

Rigogoli 2023

94 Points

An unusual blend of equal parts Grechetto di Todi and Viognier with notable but tastefully restrained oak influence, this is among the most complex and intriguing whites from Umbria to be found. It shows floral aromas from the Viognier component that accent the bouquet, with nutty accents and vibrant acidity from the Grechetto that make this a complex, convincing, and versatile white.
