

SETTE PONTI

Oreno Toscana IGT 2022

95 Points

A vertiginous tight-rope walk between savory and sweet on the nose, from white tea leaf to tart blackberries to bing cherries to damp earth and gunpowder on the nose somersaults into ripe blackberries, black cherries, orange peel then sticks the landing with savory notes of black olives, a hint of grilled meat and mixed bitter herbs.

I have always enjoyed Oreno but the introduction of the Cabernet Franc is cataclysmic. I can't wait to see where this goes.
