TAITTINGER

Nocturne Rosé

90 Points

The 2021-based release of Taittinger's NV Prestige Rosé, incorporating reserve wines from 2019, 2018 and 2016 and disgorged in January 2025 with a dosage of nine grams per liter, is showing well, revealing aromas of wild strawberry, raspberry and pink grapefruit mingling with brioche and timut pepper. Medium- to full-bodied, ample yet vibrant, it includes 14% still red wine, which lends attractive phenolic grip to its rich core of fruit. It is a blend of 35% Chardonnay, 40% Pinot Noir and 25% Pinot Meunier. Its clear-glass bottle leaves it vulnerable to light strike, so it is essential to avoid exposure to direct sunlight.
