CRAGGY RANGE

Te Muna Road Vineyard Pinot Noir 2024

94 Points

Off the back of two difficult vintages, 2024 was, thankfully, a triumph. It shows in this bottling, for while this may be the less costly of Craggy's two top Pinots, it punches above its weight. A succulent combo of strawberry and blackberry with whispers of licorice, violets and dried herbs, there's ripeness and generosity that the previously cool vintages struggled to achieve, with plump, mouth-filling dark fruit flavors and fine sandpapery tannins. Youthful and still quite primary, it should age nicely over the next several years.
