Prélude Grands Crus

91 Points

The NV Champagne Prelude Grands Crus is a blend of equal parts Pinot Noir and Chardonnay, with about five years of aging. All the Chardonnay is from the five villages of the Côte des Blancs, characterized by full-bodied flavors of ripe peach and nectarine, pastry, orange, and savory toast. Full-bodied, it has a frothy texture with powdery length and a note of brioche. Drink 2025-2040.
