

## LOUIS JADOT CÔTE D'OR BURGUNDIES

*Bâtard-Montrachet Grand Cru 2024*

# 93-95

# Points

The 2024 Bâtard-Montrachet Grand Cru is more backward and closed than the Bienvenues yet this sings of Bâtard, a bit surly but you know it will loosen up in the end. The palate is fresh and crisp on the entry. There is just a touch of reduction but it feels tensile from start to finish. It is a little spicier on the finish with a tang of tangerine and stem ginger on the aftertaste. Excellent.
