

LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Grèves Grand Cru 2024

90-92 Points

The 2024 Corton Grèves Grand Cru has a feistier nose than the Corton-Pougets, albeit without the same harmony and refinement, a bit boisterous by comparison. The palate is medium-bodied with grainy tannins, cohesive and quite peppery in style. Initially dominated by red fruit, darker fruit manifests towards the finish with touches of cedar and undergrowth. Some bitterness on the aftertaste. Quite mercurial in glass, it will be interesting to see how this plays out

in bottle.
