LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Pougets Grand Cru 2024

92-94 Points

The 2024 Corton-Pougets Grand Cru is understated compared to previous vintages, lighter yet well balanced and displaying plenty of finesse, wild strawberry mixed with raspberry and wilted rose petals. The palate is medium-bodied with slightly furry tannins, moderate weight, nicely balanced with a persistent quite peppery finish that leaves the tongue tingling. Not quite in the league of the best vintages but certainly fine in context of the vintage.
