

LOUIS JADOT CÔTE D'OR BURGUNDIES

Meursault Charmes Premier Cru 2024

91-93 Points

The 2024 Meursault Les Charmes 1er Cru has a very capable bouquet with yellow plum, hints of hazelnut and litchi, a light menthol note hanging out off-stage. The palate is well balanced with a fine bead of acidity. Not as complex or as mineral-driven as the best Charmes this vintage, though it has a linearity and focus that is commendable. I would just like to see more nerve on the finish but otherwise a competent Meursault-Charmes.
