RÉSONANCE

Koosah Vineyard Chardonnay 2023

97 Points

Now a Résonance estate property, the Koosah vineyard was planted in 2016 by the bold Kevin and Carla Chambers in what was then the highest-elevation vineyard in the Eola-Amity Hills. Its Chardonnays are becoming the stuff of legend. Generous aromas of lemon pastry cream, beeswax and rich white florals. The palate is shimmering in its reductive glory, great crystaline sea salt, green mangoes, ginger and savory lemon verbena. It’s yet another example of both the vineyard’s and the appellation’s realization of great Chardonnay potential. A stunner.
