RÉSONANCE

Koosah Vineyard Chardonnay 2023

93 Points

A remarkably pretty blend of chamomile, sweet smoke, white peach and lemon sorbet introduces the 2023 Chardonnay Koosah Vineyard. Pure yet potent, it washes across the palate with textures of weighted silk lifted by vibrant acidity as crisp white pit fruits swirl over a core of saline minerals. The 2023 lingers incredibly long, leaving the senses saturated with primary concentration as a cascade of inner florals and a slight citrus twang fade.
