Sonoma County Old Vines Zinfandel 2022

90 Points

It’s Thanksgiving — or any big dinner for that matter — and you’re in a pinch. You need a few bottles of well-priced quality wine from a store that’s still open. This is your lifeline. It’s affordable and widely distributed. It’s a very solid old vine Zin from Sonoma with a savory nose and pops of black and blue fruit. The palate is balanced and even with soft tannins and good fruit depth. Crowd pleaser 100 percent.
