*Les Grandes Terrasses Cornas 2023*

# 91 Points

The 2023 Cornas Les Grandes Terrasses begins its aromatic expression with ripe black cherry, blackberry, smoky tones and snippets of orange blossom. Fleshy gradations add more aromatic breadth. Mid-range but almost full in feel, the 2023 is a delicious Cornas, ready to be enjoyed right out of the gate. This significantly outperforms the 2022 I tasted last year.
