

SAN GUIDO

Guidalberto Toscana IGT 2024

92 Points

The Tenuta San Guido 2024 Guidalberto shows spice and drive through the mid-palate, opening with fragrant notes of cherry shaped by its equal blend of Merlot and Cabernet Sauvignon. The wine is lively and punchy in character with lifted aromatics and fine definition, supported by bright acidity that keeps the palate fresh and agile. Tannins show a touch of dryness, adding grip and structure, while the overall impression remains energetic and easy to appreciate.
