Sassicaia Bolgheri Sassicaia DOC 2023

98 Points

Sassicaia 2023 will divide drinkers. While its quality is without question, it takes the idea of finesse and elegance to another level. In truth, this is more a reflection of the vintage conditions than a winemaking decision - but that's what all great wineries aim to show in the glass, isn't it? For some, this will be too light, too floral, and too far removed from 'classic' Bolgheri. For others, especially those who have been following this estate for several years, it's a dream come true; a true-to-life model for the future of Italian reds. Me? I'm on the fence. It almost pales in comparison to the depth of fruit and chewy tannins of 2022, while the 2019 tasted alongside emphasises juiciness and silkiness. Supple, lifted and fragrant, 2023's pure, crunchy bramble fruits, succulent, sapid mid-palate and prolonged freshness make you think

differently...in a very good way. 87%
Cabernet Sauvignon and 13% Cabernet
Franc.
