LA CHAPELLE HERMITAGE

Chevalier de Sterimberg 2024

94 Points

Based on 87% Marsanne and 13% Roussanne, the 2024 Hermitage Le Chevalier De Sterimberg Blanc is beautiful with ripe quince, pineapple, acacia flowers, and mint-driven aromatics. It's medium-bodied on the palate, has remarkable purity, a lively, focused yet still textured mouthfeel, nicely integrated acidity, and outstanding length. It's not massive or incredibly concentrated, yet I love its balance, purity and finesse. Drink 2026-2036.
