Saint-Pierre Cornas 2024

91-93 Points

Dense purple-hued, the 2024 Cornas Domaine De Saint Pierre offers classic blue fruits, fresh fig, graphite, and crushed stone aromatics. It’s medium-bodied on the palate, with ripe, polished, focused tannins, nicely integrated acidity, and outstanding length. This beautiful, old school, fresh, austere Cornas will benefit from bottle age and should evolve beautifully over the coming 12-15 years. Drink 2028-2043.
