Roure Crozes-Hermitage Rouge 2024

91-93

Points

Darker purple-hued, the 2024 Crozes-Hermitage Domaine De Roure is a rich, more structured Crozes Hermitage offering blackberries, fresh plums, smoky oak, and graphite, as well as a classy sense of minerality. It's medium-bodied, has plenty of mid-palate depth, ripe tannins, and the concentrated, firm, old school style that some 2024s show in a good sense. This is clearly outstanding and will benefit from 2-3 years of bottle age before hitting its stride. Drink 2028-2038.
