Thalabert Crozes-Hermitage Rouge 2024

90-92 Points

Not made in 2023 due to the hailstorm in July, the 2024 Crozes-Hermitage Domaine De Thalabert shows a healthy ruby/purple hue with classic aromatics of ripe red and black fruits, black olives, graphite, pepper, and violets. It's nicely balanced and medium-bodied, with ample mid-palate depth, ripe tannins, and beautiful overall balance. This does well in the vintage and will certainly be an outstanding wine.
