

LOUIS JADOT CÔTE D'OR BURGUNDIES

94-96 Points

There are only two 350-liter barrels of the 2024 Montrachet Grand Cru (Maison Louis Jadot), another notable success in the range this year. Wafting from the glass with notes of pear, toasted nuts, peach and honeycomb, it's full-bodied, ample and satiny, suave and seamless, showing how well this site performs in more challenging years.
