

## ZIND-HUMBRECHT

*Riesling Roche Calcaire 2024*

# 93 Points

The 2024 Riesling Roche Calcaire results from all the Rieslings grown on limestone across the estate, including declassified wines from the single sites, with a large portion coming from the village of Gueberschwihr supplemented by Heimbourg, Hengst and Häuserer. Flint flickers deliciously on the nose.

Underneath, bright lemon zest appears with Amalfi vigor and luminosity. The palate still comes with some residual spritz that underlines the delicacy, finesse, brightness and sylph-like, pure nature of this bone-dry wine. (Bone-dry)
