Riesling Clos Windsbuhl Monopole 2024

97 Points

The 2024 Riesling Clos Windsbuhl hails from a secluded site on Triassic limestone. Slight flintiness on the nose leads to a palate that combines aromatic tangerine zest with tender but ripe pale peach. Everything about this is deeply cooling, deeply soothing, wonderfully heightened and so lithe, yet so concentrated and definite. This is superb and touching, the purity simply floors you. (Bone-dry)
