Les Jumelles Côte-Rôtie 2022

93 Points

Crafted from Syrah planted on the steep granite slopes of Côte Blonde and the clay-rich, iron-laden soils of Côte Brune, the 2022 Cote Rotie les Jumelles opens with aromas of dark berries, licorice, spices, garrigue and pepper, with delicate hints of gentian. Medium to full-bodied, enveloping and charming, it's both dense and well-structured, leading to a spicy, ethereal and extended finish. Entirely destemmed and matured for 12 months in barrels, this is a beautifully crafted wine with the potential to age gracefully over the next decade or more.
