Decanter

MICHELE CHIARLO

Asili Barbaresco DOCG 2023

92 Points

The estate boasts three plots totaling 1ha on the renowned hill of Asili. These were harvested between 5 and 10 October in 2023 – absolutely in line with the classic timeframe. The wine captures quintessential elegance of the site, highlighting its beautiful, perfumed attributes. Violet, tarragon and cinnamon lift from the glass. That sweet herb character carries over in the mouth, infusing the red cherry core. Admirable fruit substance is harmoniously framed by fine-boned tannins, and a lightly chalky texture lends textural dimension. Juicy acidity keeps this flowing.
