FONSECA

Guimaraens Vintage Port 2022

94 Points

Once again, I tasted the 2022 Guimaraens Vintage Port, which is again very expressive and aromatic, open and quite tasty, corresponding to the style of the brand. It’s less concentrated and more approachable. The grapes come from their properties in the Douro planted with the traditional grape varieties and with a significant number of grapes from mixed varieties that correspond to the old vines. It has 20% alcohol, 4.6 grams of acidity and 98 grams of sugar. It has nice structure and integrated alcohol, the tannins are nicely coated by the fruit and the flavors are focused, clean and precise. 26,400 bottles produced. It was bottled in 2024 after 18 to 24 months in

large oak containers.
