Comtes de Champagne Rosé 2014

95-97 Points

The 2014 Comtes de Champagne Rosé is soft and a bit more open than the 2013 tasted alongside it, which suggests it will drink well pretty much on release. Already quite harmonious and put together, the 2014 is quite showy. Time in the glass brings out gorgeous mid-palate creaminess and breadth. Kirsch, new leather, cedar, tobacco, mint and dried flowers build nicely. Dosage is 9 grams per liter. Disgorged: July 2025.
