LA CHAPELLE HERMITAGE

La Chapelle Hermitage Rouge 2023

94 Points

The 2023 Hermitage La Chapelle opens with aromas of gentian, elderflower, violet and dark berries, marked by a somewhat austere, reserved profile at this stage. Medium- to full-bodied, dense and structured, it’s built around a deep, firmly constituted core of fruit that conveys the telluric authority of the site, though presently constrained by a strict, somewhat unyielding structure. The finish is long and mineral but marked by a certain firmness. While the terroir clearly asserts itself, the vintage appears less naturally suited to this style. It should nonetheless evolve with time

in the cellar.
