Le Sol Gimblett Gravels Vineyard 2023

95 Points

The 2023 Le Sol Syrah hails from the Gimblett Gravels in New Zealand's Hawke's Bay. Aromatically, the wine leads with sweet roasted game, beetroot, pomegranate molasses, cocoa, crushed rocks and notes of peat. The tannins show the typical graphite quality that we have come to expect from this cuvée and this terroir, and one could even go so far as to say that the wine feels incredibly elegant, almost light. The fact that any wine was made in Hawke's Bay after Tropical Cyclone Gabrielle made landfall on February 11, 2023, can be considered an immense achievement, never more so than when the wines are great, as this is. As always with Le Sol, exercise

patience; you will be rewarded. 13%
alcohol, sealed under screw cap.
