

RÉSONANCE

Découverte Vineyard Pinot Noir 2024

94 Points

Youthfully coy, the 2024 Pinot Noir Découverte Vineyard displays nuances of blue flowers, cedary spice and scant blackberry. It is round and supple, with cooling acidity and ripe red and blue fruits that wash across the palate with ease. A collection of minerals lingers beneath an air of violet inner florals as it tapers off with a gentle tannic impact. Nicely refined and elegant, the 2024 benefits from a splash in a decanter if opening today.
