

RÉSONANCE

Résonance Vineyard Pinot Noir 2024

95 Points

Woody blackberry and herbs combine with wet stones, sage and rose petals as the 2024 Pinot Noir Résonance Vineyard smolders in the glass. Graceful and serene, it displays liquid-silk textures and a flood of supple red berry fruit that gives way to crisp mineral tones and an air of lavender toward the close. The 2024 Pinot Noir Résonance Vineyard finishes with dramatic length and potency, leaving a saturation of black cherry and autumnal spice framed by sweet tannins. The balance here is remarkable.
