Purple Angel 2023 – 95 Points

95 Points

The 2023 Carménère Purple Angel, blended with 8% Petit Verdot, comes from Apalta and Marchigüe in the Colchagua Valley and was aged for 16-18 months in French oak, 70% new. It reflects the warm vintage, offering black fruit, violet notes and a touch of ash, framed by oak, on the nose. The palate is juicy, with lightly grippy tannins and a tighter profile shaped by the vintage. More precise, it shows a compact palate, less sweetness and greater structural definition.

Joaquin Hidalgo - August 20, 2026
