

TAYLOR FLADGATE

Sentinels Vintage 2024 Port

97 Points

Aromas of schist, violets and ripe blackberries, with an absorbing nose layered in dark fruit. The palate is structured, with grainy but long and integrated tannins, yet remains vibrant and energetic with a clear thread of black fruit. There is a youthful yet discreet lift, both aromatically and on the palate, that makes it immediately appealing, yet it has the structure and depth to reward patience. Drink now.
