

ALTA VISTA

Single Vineyard Serenade 2021

95 Points

Hailing from vines in Alto Agrelo planted in 1935, the 2021 Malbec Serenade hits a midpoint within Alta Vista's array of single-vineyard Malbecs, combining the ethereal and mineral-driven nature of the Temis with the suave, layered richness of the Alizarine. It opens with a heady, black-fruited bouquet that carries a clear gravitas while retaining a beguiling freshness, fittingly introducing a supple and concentrated palate that remains remarkably buoyant. It concludes with a measured, multifaceted finish that fuses chalky tannins with weightless richness and an elevated sense of refinement.
