

**MONTES**

*Taita 2021*

# 94 Points

Rich, voluptuously sweet ripe black fruit with plenty of chocolate, dark plums and a touch of quince, prunes and dried orange. Lush, concentrated and round but still juicy, with firm yet fine-grained tannins and a very long finish. Probably the most opulent red from Montes with a blend of 85% cabernet sauvignon and 15% selected blend, including some merlot and cabernet franc. The warmth of the ripeness makes it a good winter wine. 18 months in French barrels, of which 70% is new. Drink or hold.
