

ALTA VISTA

Single Vineyard Temis 2021

95 Points

Drawn from vines planted in 1938 in sandy soils strewn with stones covered in calcium carbonate, the 2021 Malbec Temis is the lightest on its feet of the Alta Vista single-vineyard Malbces. An ethereal and compelling bouquet of dried herbs, purple flowers and wet stones introduces an elegantly taut, tensile mouthfeel that hits high in the palate yet remains grounded by the weightless intensity that tends to define the best examples of El Cepillo. The long, reverberant finish is rooted firmly in a persistent, mineral-laden core, lingering with refined tannins and an airy quality similar to the nose.
