

FEUDO MACCARI

Animaetna Animardente Etna DOC 2022

92 Points

The organic Animaetnea 2022 Etna Rosso Contrada Santo Spirito Animardente shows a lively mix of wild berry, cherry, blue flower and citrusy orange essence backed by grilled herb and crushed stone. The wine offers good complexity over a tight, medium-bodied texture with fine tannins. Fruit comes from 70-year-old alberello vines planted at 750 meters in elevation on stony soils over lava flows. Following 15 days of fermentation and maceration in stainless steel, the wine matured in large oak casks for 18 months. This is lovely to drink now.
