

TAYLOR FLADGATE

Classic Vintage Porto 2024

97 Points

The 2024 Vintage Port from Taylor's is the first Declaration for six years and the smallest release (5,000 cases). It has an impressive, intense nose with layers of blackberry, blueberry, inkwell and black plum, very complex and beautifully refined. The palate is medium-bodied with a striking, black pepper-infused entry, a killer line of acidity, delivering this Port House's trademark structure and grip. It gains depth towards the finish and the tongue tingles long after it has departed. This is a Vintage Port destined to give decades of drinking pleasure.
