DOMAINE FERRET

Pouilly-Fuissé Hors-Classe Tournant de Pouilly 2025

91-93 Points

The 2025 Pouilly-Fuissé Tournant de Pouilly 1er Cru includes the old vines picked before the rain and younger vines after the rain. Again, this is a little backward and tightly wound on the nose, opening with green apple, orange pith and light waxy scents. The palate is well balanced on the entry, very cohesive, with well-judged acidity (especially given the challenges of the growing season) and a detailed and quite persistent finish. This is a cuvée that

overcomes the limitations of the season.
