DOMAINE FERRET

Pouilly-Fuissé Hors-Classe Tournant de Pouilly 2024

93 Points

The 2024 Pouilly-Fuissé Tournant de Pouilly 1er Cru is the most backward on the nose at the moment despite aeration. You can feel that there is intensity here, but it has clammed up at the moment. The palate is well balanced with very impressive weight countered by the silver thread of acidity. Lightly spiced with veins of lemongrass, it is beautifully controlled and linear towards the focused finish. Long-term, like the Ménétrières.
