

DOMAINE FERRET

Pouilly-Fuissé Tête de Cru Le Clos

91 Points

Domaine Ferret farms these vines between its cellar and the church of Fuissé, 1.65 acres, half of which are more than 40 years old, the other half 20. The topsoil is thin, sending the vine roots directly into limestone and shale, creating a firm and powerful Pouilly-Fuissé. This vintage is structured, building on its buttercream richness with depths of mineral and grape-skin savor.
