*Guimaraens Vintage Port 2018*

# 94 Points

Deep violet black. The 2018 Guimaraens is seductively aromatic with scents of black plum, dark cherries, and Medjool dates that are picked up on the palate and complemented by notes of espresso, cloves and black tea. There's admirable purity, a lush texture, a vigorous, long finish, and supple tannins that suggest earlier drinking than many Ports from this vintage.
