

## CABREO

*Sangiovese & Cabernet Sauvignon Toscana*  
*I.G.T. 2019*

# 88 Points

From the Folonari family, the Tenute del Cabreo 2019 Sangiovese Cabernet Sauvignon BST shows distinctive characteristics of both grapes used in the blend, with the fresh cherry flavors of the Italian grape contrasted against some of the earthy and spicy tones of the French variety. Those earthy tones veer toward terracotta and baked clay, and the tannins offer a fine, almost dusty quality. The wine shows a generous, medium build with lots of fresh dark fruit on the finish.
