

SAN GUIDO

Guidalberto Toscana IGT 2020

92 Points

The 2020 Guidalberto is a gorgeous, classy wine. Less opulent than it can be, the 2020 impresses with its energy and drive. Sweet red cherry, plum, mint, rose petal, cedar and pipe tobacco all take shape in this super-attractive, mid-weight offering from Tenuta San Guido. There's a bit more Merlot in the 2020, but Guidalberto is increasingly made from lots that don't make it into Sassicaia, which explains the style of recent vintages. This is a terrific showing, especially considering the recent bottling. It's a fine relative value in Bolgheri's high-rent district.
