

Cipressi Barbera Nizza DOCG 2019

90 Points

The Michele Chiarlo 2019 Nizza Cipressi is a generous and abundant expression of Barbera with an inky dark color. The bouquet reveals blackberry, blackcurrant and lots of rich primary fruit. Cipressi is fermented in steel and aged in large oak casks for one year. The wine's texture is soft and plush, and you get that little kick of acidity that is characteristic of this versatile grape.
