Oreno Toscana IGT 2020

94 Points

The 2020 Oreno is a dark, brooding beauty. Black cherry, plum, tobacco, spice, menthol, licorice and dried herbs all race across the palate. Deep, fleshy and super-expressive, the 2020 Oreno has a ton to offer. It should drink well with minimal cellaring but also has enough substance to drink well for many years to come.
