

CHÂTEAU LA NERTHE

Les Cassagnes Côtes-du-Rhône Rosé 2021

91 Points

This bright-eyed, charming rosé offers layers of sun-kissed, juicy white peach, cherry and berry flavors cut by a stony, mineral undertone and just a hint of tea tannins. Penetrating in fruit and elegantly structured, it's a consistently well-made, evergreen rosé that carries far beyond the spring and summer months
